

AGENT PROFILE

Travis Esway

Travis Esway is a business solutions specialist, bringing expertise from valuations, market analysis, trends, technology and operations to deliver recommendations that are highly strategic and deeply practical, which has led to a major impact for his clients.

In his role as VP of Leasing and Sales, Mr. Esway develops innovative strategies for organizations looking to lease, buy, or sell Commercial Real Estate properties. Combining a broad view of global and regional business/market trends, with rigorous analytics, Mr. Esway helps clients to clearly communicate the problems, understand the landscape, define the key factors and barriers to growth and effectively align organizational resources to take action. Travis has a critical eye as it relates to the details of every transaction and will use his skills in a tenacious manner until obtaining the desired results of his clients.

THE COMPANY

Crossroad Ventures Group was formed to provide clients with the highest-level single point of contact services through development, Commercial/Residential and project management and property management services. We are here to serve you. We are a full service real estate company, combining over 100 years experience with a unique platform of specialized services. We are your real estate compass.
